

A.  plify

We are a consciously lean team
of specialist consultants each
with a dedicated area of focus.

Human-centred recruitment for the digital age.

Each consultant operates on a 360 basis and is responsible for delivering a positive experience for both client and candidate.

Covering both freelance and permanent requirements. each consultant has a depth of experience in their market, gained over a number of years in the industry.

A consultative, people driven business that always delivers. We are reliant upon our reputation and constantly strive to uphold it.

Our Strengths

- ▶ A team structure that is designed to reflect the digital marketing space.
- ▶ A senior team who are invested in the business.
- ▶ Experience in delivering across all levels of seniority, with specific executive search expertise for C-suite and board level hires.
- ▶ A flexibility that offers a retained search or a contingency model dependent on our clients' needs.
- ▶ A UK market focus with an international reach, having made placements in mainland Europe, Scandinavia and North America.

Our Approach

Discovery

We take time to understand your business and requirements via our own dedicated research.

Understanding

We work around you to take briefs via call, video or face to face meeting.

Briefing

We undertake an in-depth registration and briefing call with all candidates.

Meeting

Where possible, we conduct face-to-face interviews with all candidates prior to submission.

Feedback

We provide detailed feedback at every stage of the process to both candidates and yourselves.

Don't be shy,
get in touch.
